

## **Time to Transform: Becoming a New Creature in Christ**

### **2 Corinthians 5:17**

*Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! 2 Corinthians 5:17*

**Your salvation was never meant to be merely an “insurance policy” against hell, it was meant to be a heart-changing, life transforming, eternity altering event!**

#### **1. The *problem* of conversion**

**Many who have relied on other paths will discover that there is only one true path! “if” anyone is in Christ... (17)**

**Many who presume they are safe are in fact in great peril!**

- (Mt. 7:21-23)

**Many who have relied on other paths will discover that there is only one true path!**

#### **2. The *point* of conversion**

- **Admit... you are hopeless in your sin**
- **Believe... that Jesus’ sacrifice on the cross is the only hope for forgiveness**
- **Confess... your sin for what it is, and profess your faith in the Son of God**
- 

#### **3. The *power* of conversion**

- **It is the power of cancellation! (“the old is gone...” “I will cleanse you...”)**
- **It is the power of re-creation! You really can be born again!**
- **It is the power of comfort and counsel (“I will put my Spirit in you”)**  
(Ephesians 2:8-9)

**How is your conversion transforming your daily life?**

**Is the power of your conversion evident to those around You?**

**Is there anything in your life that remains “unconverted”? What are you going to do about it?**
