

Transforming the Heart: Breaking the Mold!

Romans 12:2

Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind...” (Romans 12:2)

Theme...

- We will never transform into Christ-likeness until we let go of our affection for this world’s way of thinking and way of acting...
- Today, will you decide to break the mold?

1. Transforming instead of conforming is a choice you can... must make!

- “do not conform any longer...”
- It is a command to “stop!”

So you can break the mold.

A character study in conformity: Lot (Abram’s nephew)

- Lot drifted away from His spiritual foundations
- Lot slipped into a pattern of conformity with the people of Sodom
- Lot lost everything that mattered to him.

2. Transforming instead of conforming is a radical world view you must embrace

- do not conform any longer to the pattern of this world.”

Breaking the mold....

- Requires learning to see and live beyond the moment -Jn 18:36
- Means living counter-intuitively from your culture -1 Cor.1:27
- Involves putting unseen, eternal things first –Matthew 6:33
-

3. Transforming instead of conforming is a passion you must nurture

- To nurture our love for God we have to abandon our infatuation with the world - (I John 2:15-17)

Stop Conforming!

Start Transforming
