All About MOPS

What is MOPS?

Mothers of Preschoolers is an international organization for mothers of infants to kindergarteners. MOPS provides a fun and friendly place for mothers to relax, encourage, and learn from one another. We seek to meet the unique needs of mothers during those pre-school years. More information on MOPS International can be found at www.mops.org.

What do we do at MOPS?

At each MOPS meeting moms enjoy brunch adult conversation, and speakers. Each meeting provides opportunities to connect with other mothers during our small group discussion time. Unique to MOPS, our Mentor Moms are a treasure trove of wisdom, support, and encouragement for our members. Once a semester we complete a fun and easy creative activity.

How much does it cost?

MOPS International registration is just \$23.95 once a year. (includes *MomSense* magazine subscription and weekly emails)

Additionally, we charge local dues each semester to help cover various costs.

Our MOPS fees are \$15 per semester (fall and spring). MOPPETS (childcare) is available for an additional \$15 per child (\$30 max per family) per semester.

What is MOPPETS?

In MOPPETS children are divided into age appropriate groups and enjoy stories, games, play time, snacks, and other activities. If you are needed for any reason, a MOPPETS Teacher will notify you. Every MOPPETS session is filled with LOVE, laughter, and fun! MOPPETS will meet in Bldg. D in the nursery wing.

When/where do you meet?

Meetings begin in September and continue through May. We meet in the Media Center in Building C.
